The highest bid holder on each lot will be contacted on 3 December with the good news. All lots purchased must be collected from Worcester Cathedral by 13 December 2024 and upon cleared funds being received. The buyer will be responsible for collection. The stones vary in weight from 8kg to 30kg. Each stone has a reserve placed upon it. If this is not met the stone will remain the property of Worcester Cathedral. Worcester Cathedral reserves the right to reject any and all bids.

All proceeds will be used to support our Stonemason team in their work to preserve Worcester Cathedral for future generations to enjoy as we do today. Thank you for your support.
